Refund Policy

XFLAGFOOTBALL has a no refund policy in which NO REFUNDS will be issued after the registration has been completed. In the event of a player cancellation request, the fee that was paid can be applied to the following season or tournament. For example, if you register for a summer season and then request a cancellation for that season, you may apply the fee you paid to the fall season or tournament of the same year.
XFLAGFOOTBALL reserves the right to merge divisions or cancel any division based upon low enrollment and or conditions beyond our control. In the event of XFLAGFOOTBALL having to cancel a division due to low enrollment (this does not include the merger of divisions), the participant registered would be eligible for a credit for the next season or a full refund. Please send transfer requests to mzimmerman@xflagfootball.com (mailto:mzimmerman@xflagfootball.com).
